ESSENTIAL PARTITION WALL

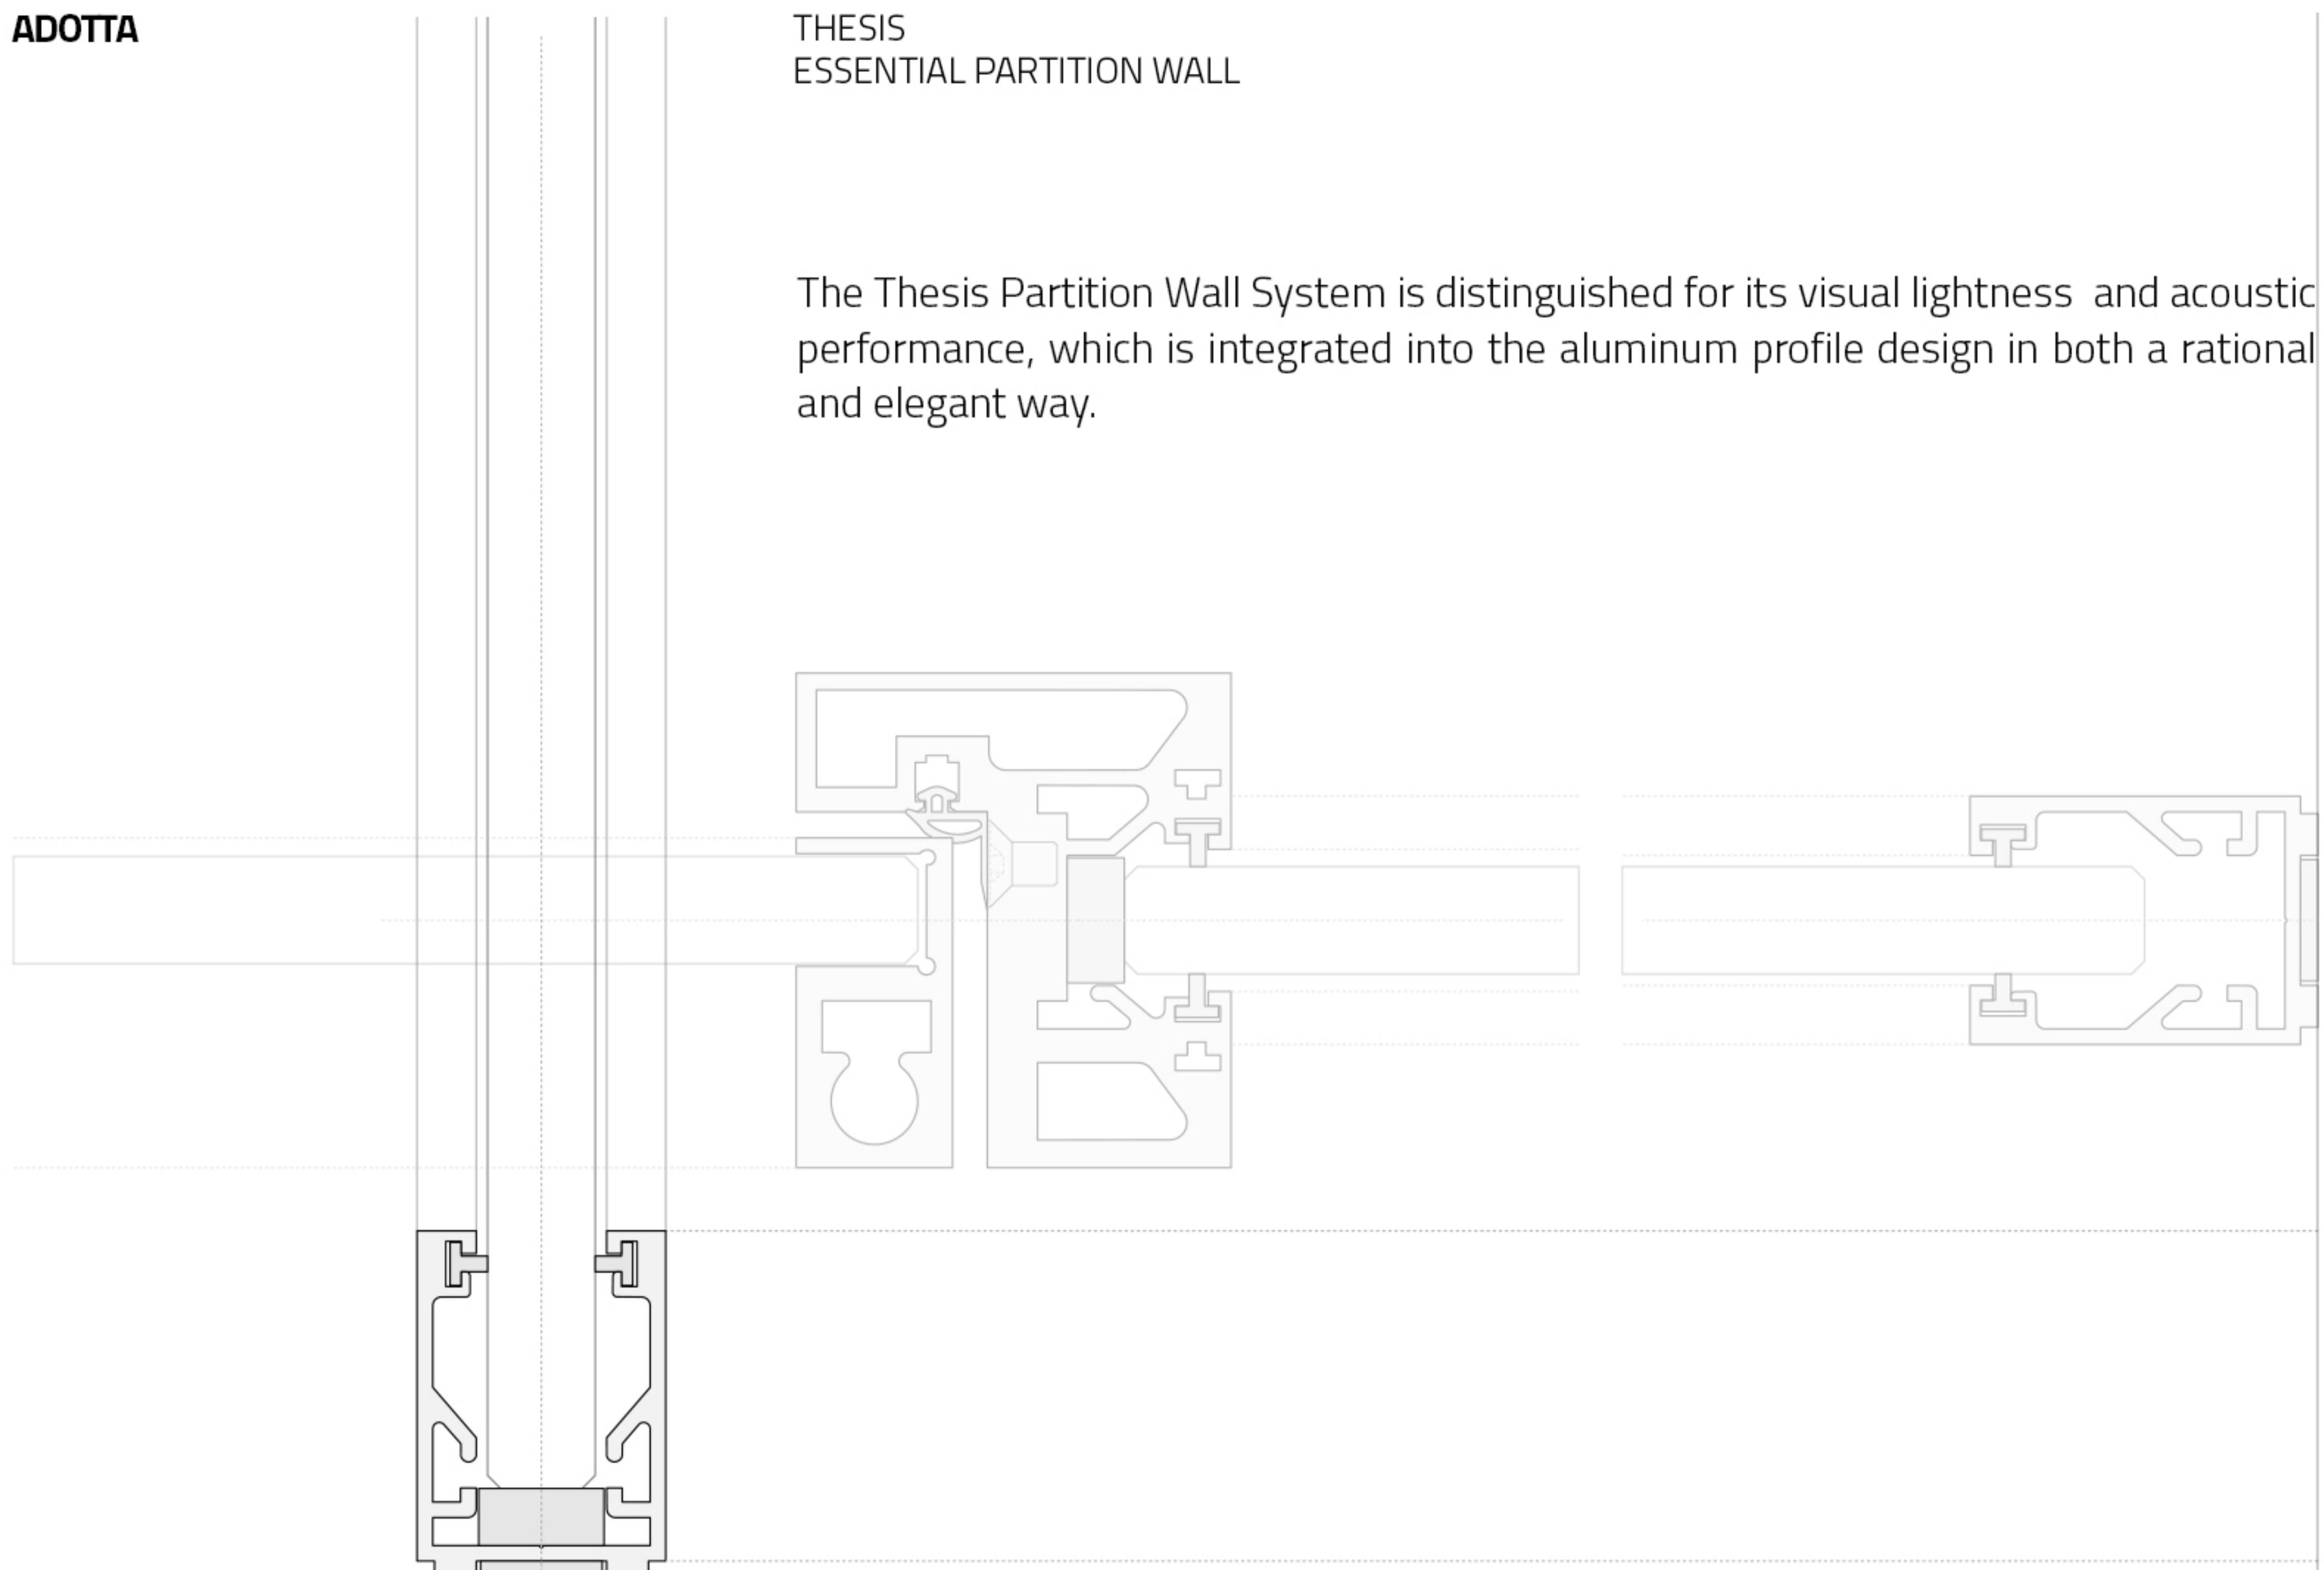

ADOTTA

THESIS
ESSENTIAL PARTITION WALL

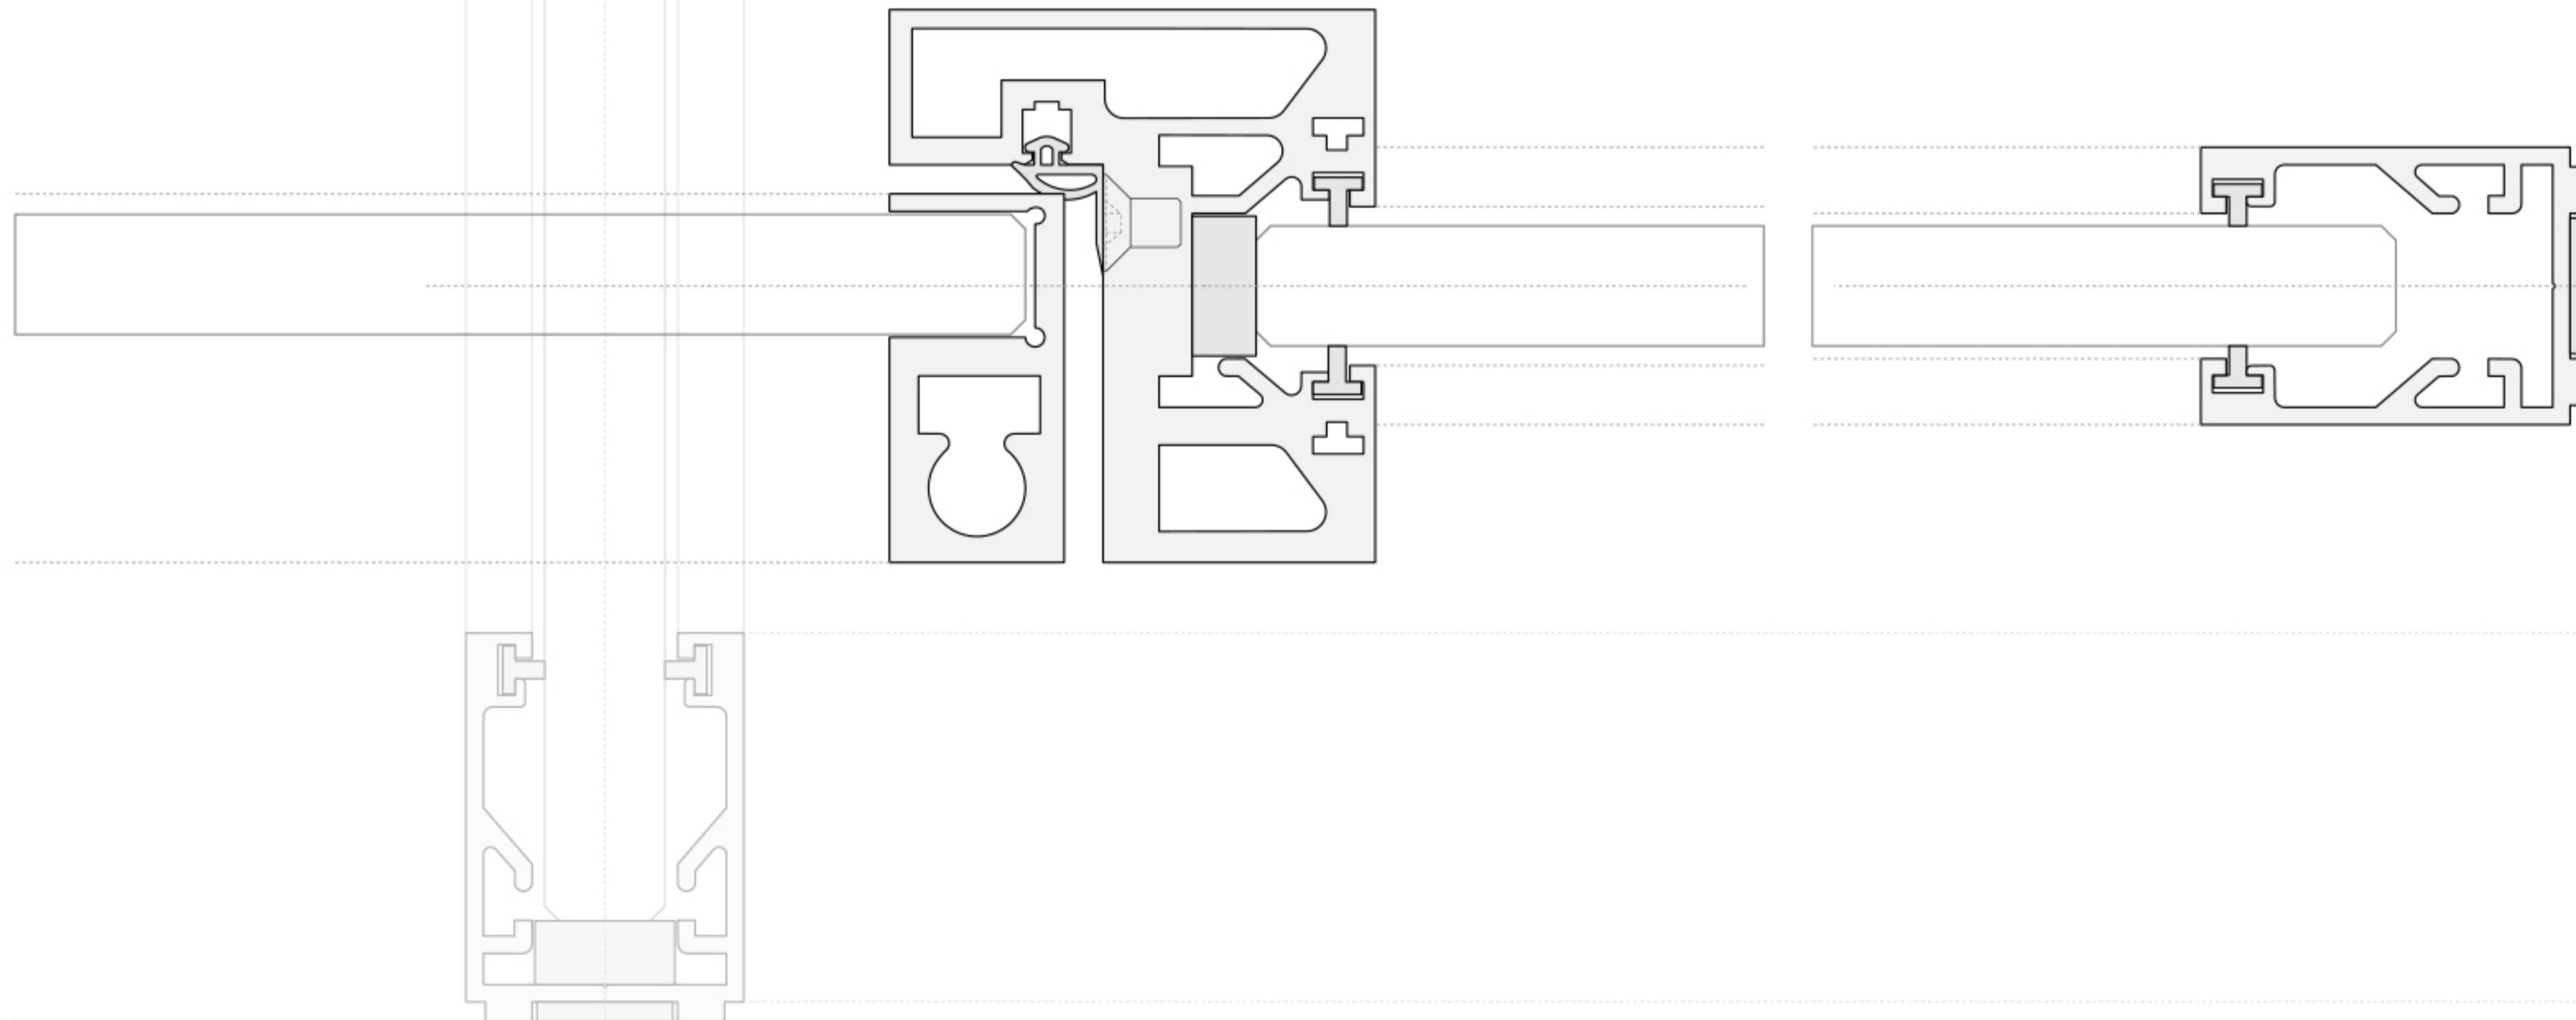

The Thesis Partition Wall System is distinguished for its visual lightness and acoustic performance, which is integrated into the aluminum profile design in both a rational and elegant way.

Thesis is built with 40 mm extruded aluminum profiles that can hold tempered or laminated glass panels of 12 mm thicknesses.

The optimized installation combined with the flexibility of options and a complete set of hardware solutions give the system great versatility.

ADOTTA

THESIS
ESSENTIAL PARTITION WALL

Thesis is an efficient and aesthetically pleasing ally in any architectural project for the office of the future.

ADOTTA

THESIS
ESSENTIAL PARTITION WALL

Like every Adotta product, Thesis Wall System offers an extensive range of technical solutions and a complete selection of hinges, glazed or blind doors and a service module that allow integration with other Wall Systems.

ADOTTA

THESSIS
ESSENTIAL PARTITION WALL

An important feature of Thesis System Wall is the ability to integrate panels of wood, textile coverings and magnetic glass panels as part of the standard configuration.

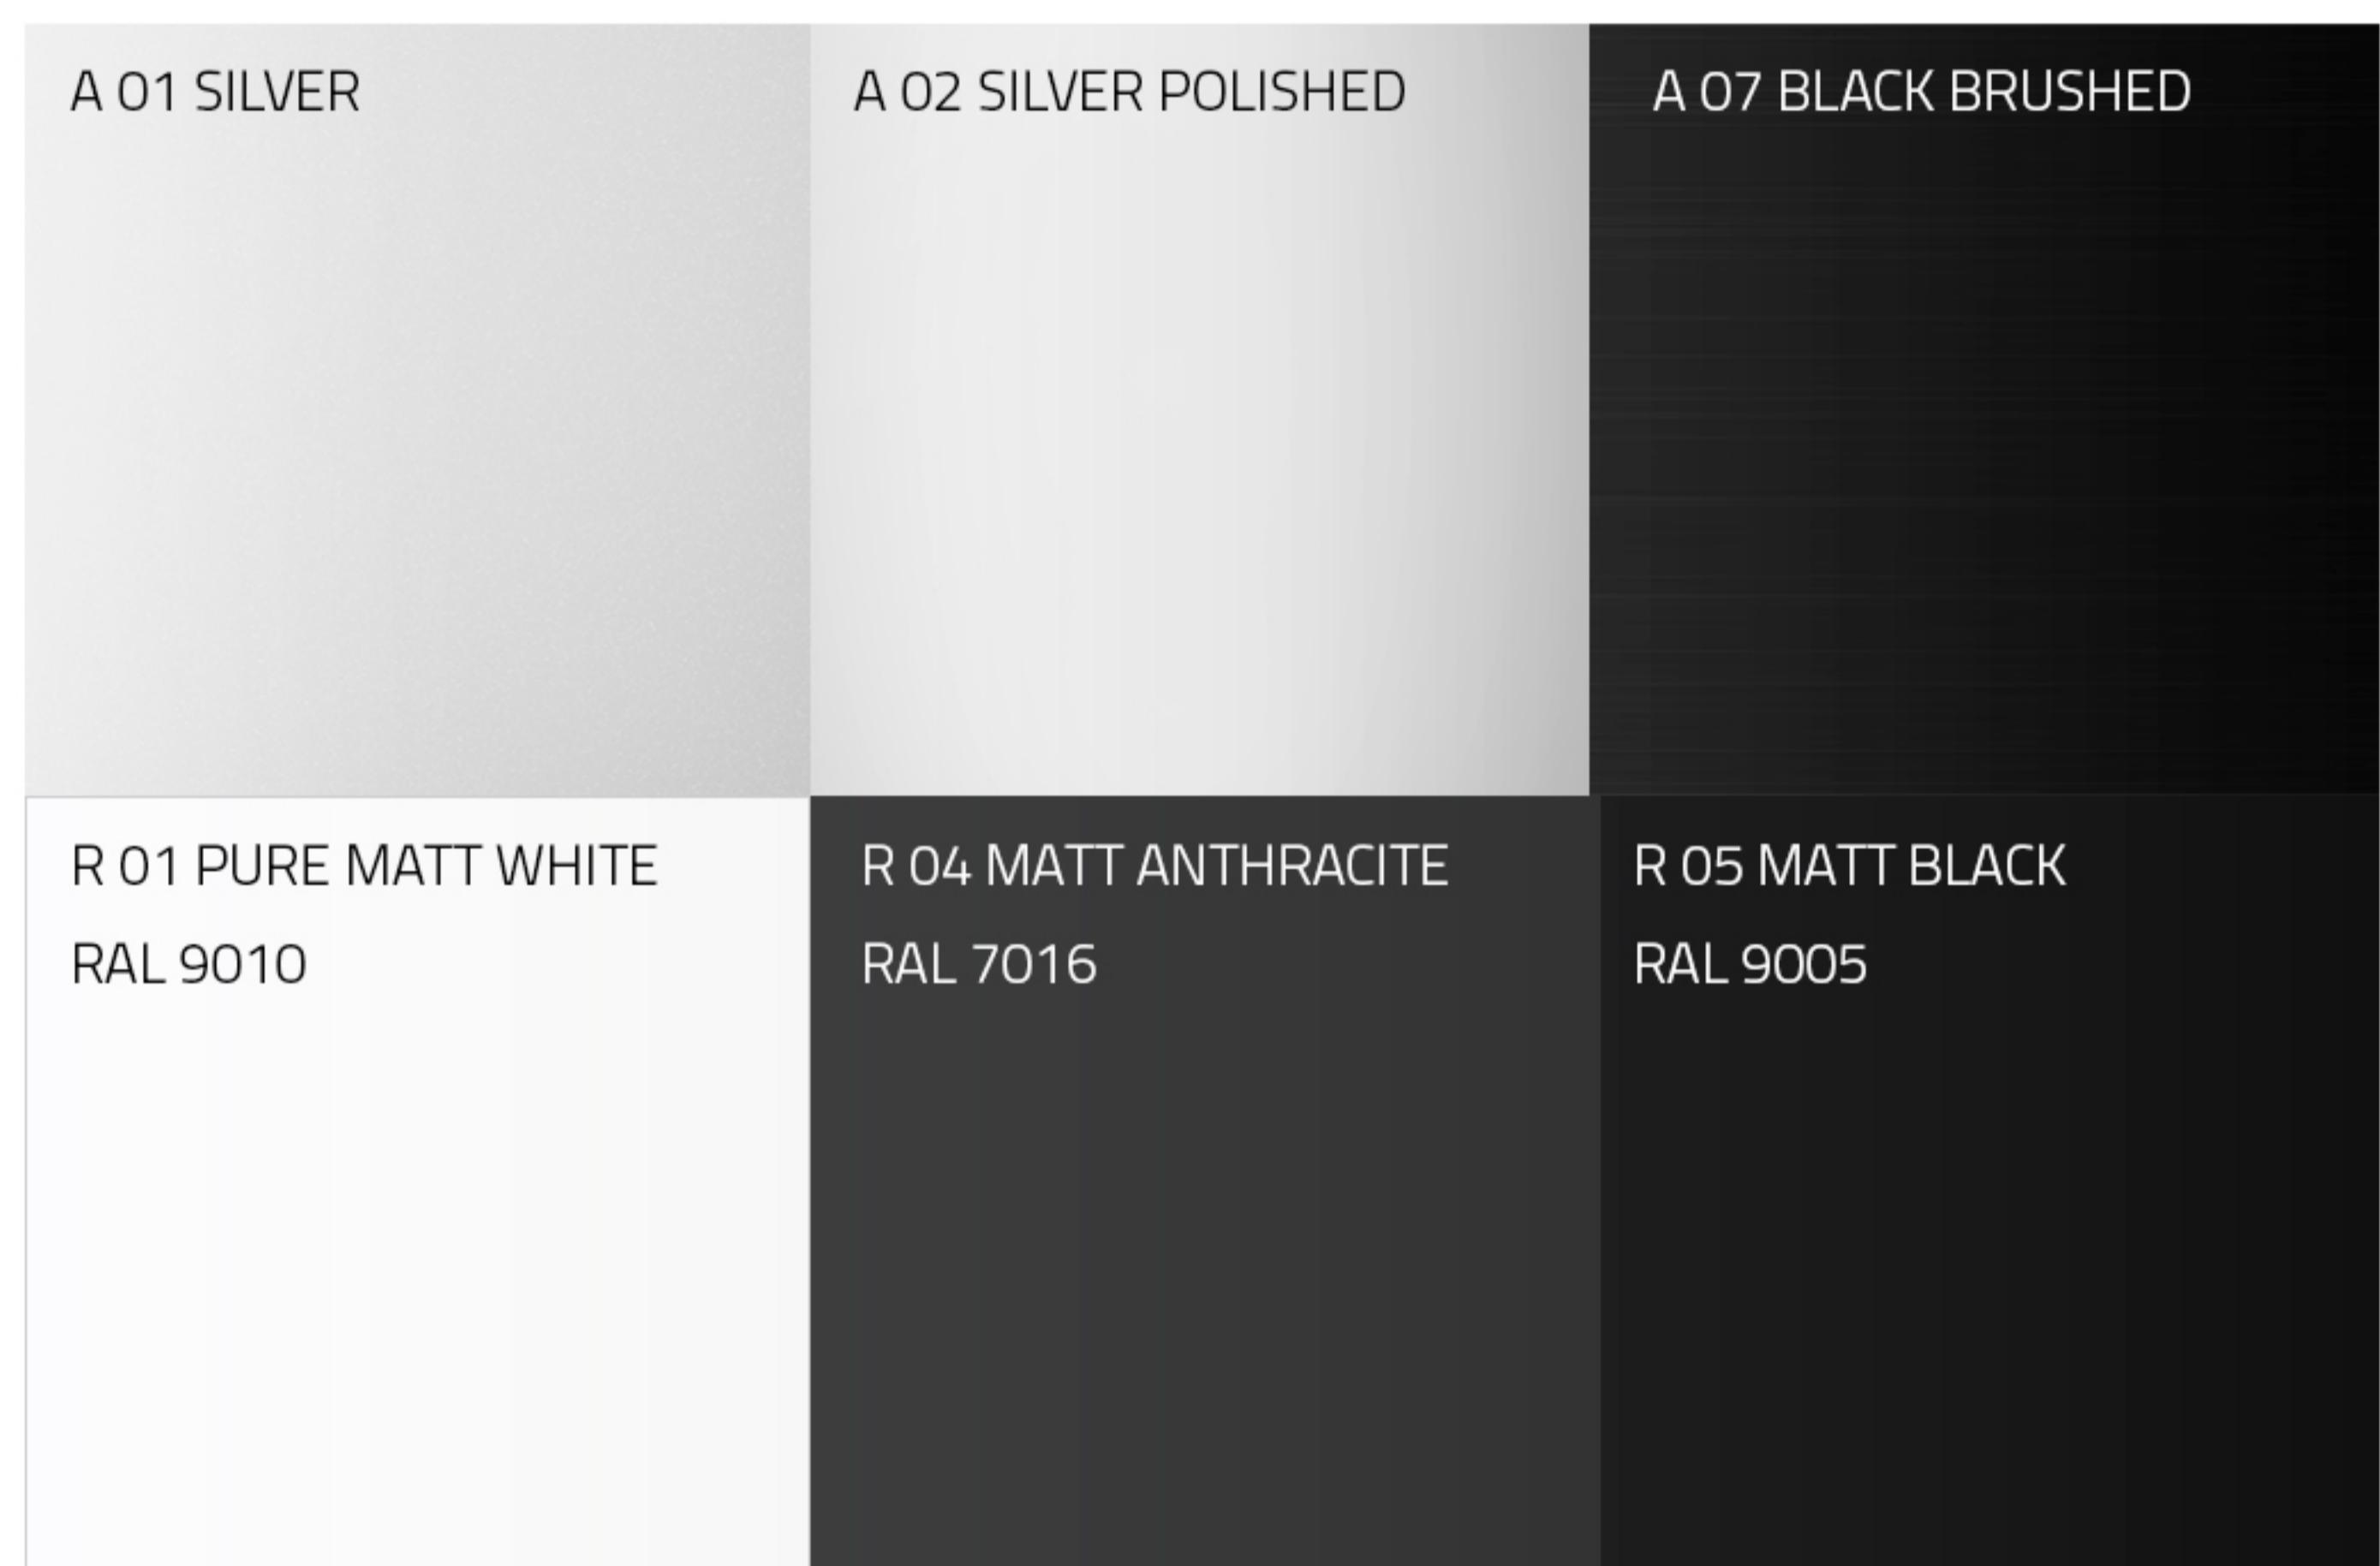

ADOTTA

THESIS
ESSENTIAL PARTITION WALL

Thesis applies a creative selection of anodized and lacquered finishes to the aluminum profile to achieve maximum realization of an architectural project.

STANDARD ANODIZED ALUMINIUM FINISHES

Thesis applies a creative selection of anodized and lacquered finishes to the aluminum profile to achieve maximum realization of an architectural project.
