

Kyoto

Kyoto, designed by the Stockholm base design studio Note was envisioned as an architectural microcosm, an open constellation of interior architecture. Our interior spaces are in constant change leaning towards less permanent dividers and more modularity. Kyoto is created as a solution which provides the insulatory function of a closed physical space, with none of the permanence

Dimensions:

Width: 23-5/8"
Heogjts: 51-3/16", 64-15/16", 74-13/16"
Thickness: 3-1/4"
Floor drop heights: 3-15/16", 11-13/16"
